

The Vera Kochanowsky Scholarship Award for Pianists

The criteria for use and granting of the Vera Kochanowsky Scholarship Award shall be as follows. All young pianists in the region are eligible. It is not necessary to be enrolled as a Music Academy student:

1. The student shall be a pianist in school grades seven through eleven and shall show musical ability in the piano field.
2. The granting of the award shall be based on musical talent and not on need.
3. A competition will be held as a recital that is open to the public and will determine which student shall receive the award. Preferably, the competition will be held during the first week in May, but may be held later in May or during the month of June within the same school year.
4. The student's present instructor will nominate the student entering the competition. Each candidate must obtain an application form from his or her instructor or The Music Academy office. The completed application form must be signed by both the student entering the competition and his or her instructor and submitted to The Music Academy office.
5. The student shall perform at least two contrasting movements from a sonata or at least two pieces or movements of pieces that demonstrate contrasting character and style. The works will be chosen from the classic, baroque, romantic, or contemporary repertoire. If the piece chosen is a concerto, then an accompanist will be allowed to play an orchestral reduction. There will be a maximum of 20 minutes and a minimum of 8 minutes allowed for each student competing.
6. The judges for the competition shall consist of two Music Academy piano faculty and one non-piano faculty.
7. The students competing shall be judged on a one-to-five scale in the areas of stage presence, interpretation, technique, and difficulty of piece/s performed. The student with the highest overall score will win the award. The award will be presented to the winning student at the end of the competition. In the event of a tie, the award will be equally divided.
8. The award will be used for future piano study.
9. The award will be given every other school year, and no student may win the award twice in succession.
